 [brighter Investment](#)

Key contact person

**Richard Kwasi
Adarkwah**

r.adarkwah@brighterinvestment.com

0557963073 | 0547019934

Profile:

Brighter Investment enables private investors to fund high potential students' university degree in return for a percentage of their future income. Income-based repayment reduces the risk for students so they don't end up with a loan they can't repay. Income-based repayment also provides investors with a competitive return. Returns are more stable than stock market returns, as wages are relatively stable, and hedged against inflation, as wages rise with high inflation.
